IDM -Diploma in Web Engineering

Diploma in ICT - Web Engineering Specialization

(Part II)

Assignment Specification

Assignment 04

Institute Name   :   **IDM Computer Studies (Pvt.) Ltd – Galle.**

Units/ Modules Covered   : **Web Development using PHP/Mysql**

Unit Value: 11

Assignment No: 04

Lecturer: Mr Dilan Asanka

Unit Outcomes:

- Dynamic web page creation using php
- Mysql database Processing
- Creating online web systems

Date Set: **Due Date: 22/08/2015**

Student Name: Charith Neranga   **GAL No: 35242**

Branch Name: Galle   **IDM Student No: 35242**

Assessor Comments:

Signature: Date: **14/08/2015**

Acknowledgement

Say "thanks" to give a chance to   do this assignment to this level.

I pay my respect to my dear parents and our teacher.

And also thankful to my friends give a good backup to this assignment.

Finally I thank all the people who helped to do this task.
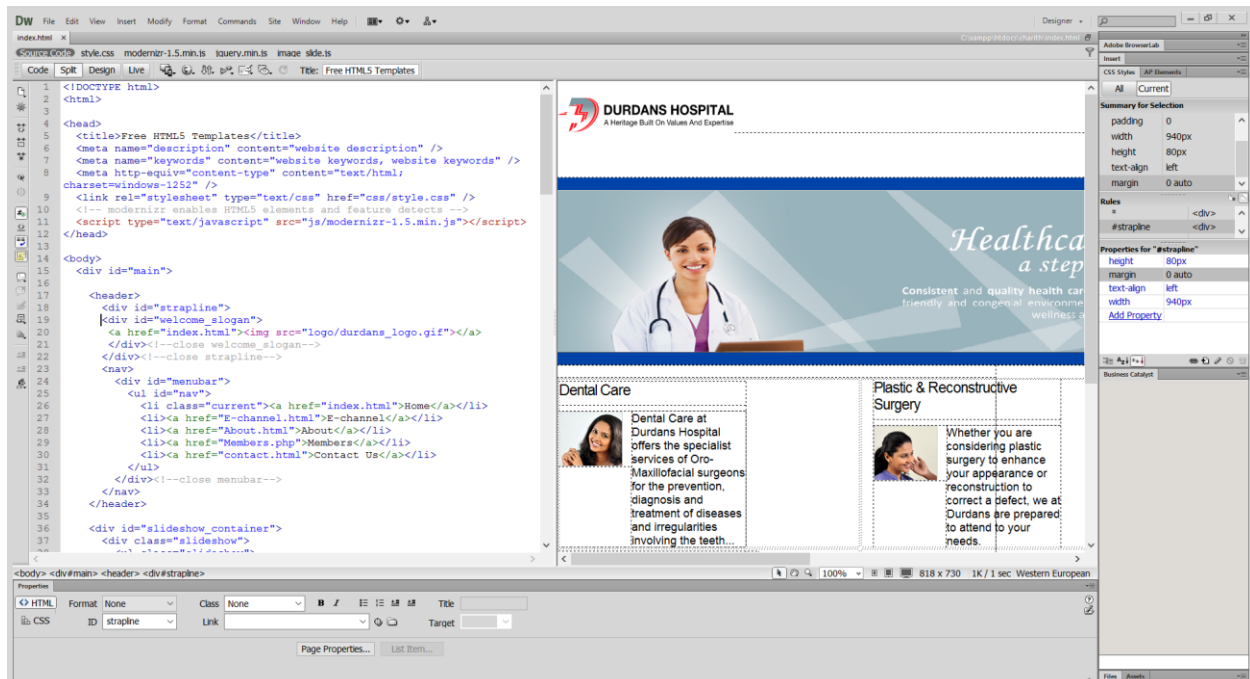

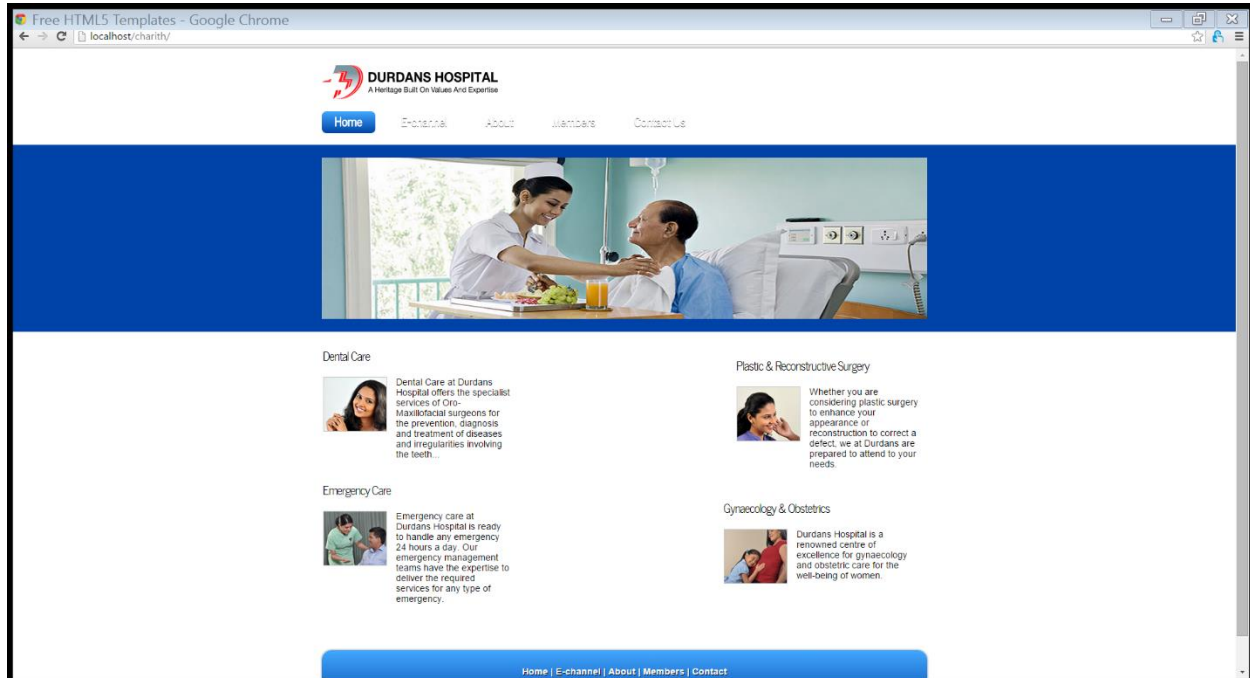

Table of Contents

Introduction

Today most people are using internet in these days & they managed their time by using internet. They get information from these sites. This site designed to the Durdans hospital. You can get informations about hospital & doctors from this site & main thing is you can channel doctors from this site. To channel a doctor, you have to follow few simple steps. You have to register or login to our site & you need a payment method for the channeling. You can pay 50% from the full channel fees & channel the doctor. Then you have to pay other 50% at the hospital. We are offering some special offers from this site for some special days like mothers day etc. This site is designed by using dreamweaver.
